

## Rwanda Visa Information and Application

Foreign Nationals wishing to obtain a Rwandan Visa, submit their applications to Rwandan Diplomatic Missions of their Country of residence for processing.

In case where Rwanda does not have a Diplomatic Mission/ consulate, foreign nationals request for a visa acceptance letter online, which will be presented on arrival to obtain a visa upon payment of visa fee (\$30).

In view of bilateral agreements, nationals of the following Countries may visit Rwanda without a visa for a period up to 90 days: Hong Kong, Philippines, Mauritius, Singapore and the Democratic Republic of Congo.

EAC Partner states citizens' shall be issued with 6 months visitors pass (renewable) upon arrival at no fee.

Nationals of Australia, Germany, Israel, New Zealand, Republic of South Africa, Sweden, United Kingdom, and United States of America will be issued with entry visa valid for a period up to 30 days and pay for a visa (\$30) upon arrival without prior application.

Nationals of the countries mentioned above not exempted from visa may also choose to get visa at Rwanda Diplomatic Missions (except the UN Mission in New York) or online.

### Note:

\*The visitor's visa should not be used for employment

\*Nationals of all African countries traveling to or transiting through Rwanda obtain an entry visa upon arrival without necessarily making prior application and pay for a visa (\$30) where applicable.

## Instructions on Yellow Fever

While Rwanda is Yellow Fever free, following the current active outbreak of Yellow Fever in Angola and the documenting of imported cases in some countries, the Rwandan Ministry of Health is implementing measures to prevent the import of Yellow Fever cases and therefore protect the health of residents and visitors.

The following instructions are delivered to inform public and travelers:

1. To enter in Rwanda, a Yellow Fever vaccination certificate **is not required** for travelers (Residents/ Non-Residents) coming from Yellow Fever non-endemic countries and without an active transmission outbreak of Yellow Fever.
2. To enter in Rwanda, a valid Yellow Fever vaccination certificate **is mandatory** for travelers (Residents/ Non-Residents) coming from Yellow Fever endemic countries<sup>1</sup> and countries<sup>2</sup> with active Yellow Fever transmission outbreaks.
3. All residents travelling to Yellow Fever endemic countries<sup>1</sup> should be vaccinated at least 10 days before travelling.
4. For travelers (Resident/ Non-Resident) coming from an active Yellow Fever transmission outbreak country<sup>2</sup> or travelers who have recently visited (within 24 days) an active Yellow Fever transmission outbreak country<sup>2</sup> the following instructions will be applied:

**Yellow Fever endemic countries<sup>1</sup>:** Angola, Argentina, Benin, Bolivia Plurinational, Brazil, Burkina Faso, Burundi, Cameroon, Central African Republic, Chad, Colombia, Congo, Côte d'Ivoire, Democratic Republic of the Congo, Ecuador, Equatorial Guinea, Ethiopia, French Guiana, Gabon, Gambia, Ghana, Guinea, Guinea-Bissau, Kenya, Liberia, Mali, Mauritania, Niger, Nigeria, Panama, Paraguay, Peru, Senegal, Sierra Leone, South Sudan, Sudan, Suriname, Togo, Trinidad and Tobago, Uganda, Venezuela

**Active Yellow Fever transmission outbreak country<sup>2</sup>:** Angola
